

QUALITY POLICY

We, PT Inamas Sintesis Teknologi a company engaged in the Design, Development, and Manufacturing of Electro-Mechanical Systems, Smart Machinery, and Internet of Things (IoT) Devices, are committed to continuously enhancing company value by implementing the ISO 9001:2015 quality management system through:

- 1. Compliance with the applicable laws and regulations of the Republic of Indonesia and other requirements from the Company's stakeholders.**
- 2. Stakeholder satisfaction by providing innovative, high-quality products and services that meet the expectations and needs of all stakeholders.**
- 3. Establishing a conducive work environment and organizational culture.**
- 4. Periodically setting specific, measurable, and relevant quality objectives aligned with the company's strategic goals to ensure effectiveness and continuous improvement.**
- 5. Commitment to continuous improvement across all company activities, including products, services, processes, and human resources.**
- 6. Facilitating easy access for all stakeholders to this quality policy.**

The Top management and all staffs of PT Inamas Sintesis Teknologi are committed to implementing this quality policy effectively, consistently, and sustainably through continuous process improvements in line with the principles of ISO 9001:2015 quality management.
